

Arabic

Minor

The Arabic minor introduces students to the language, peoples, cultures, and histories of the Arabic-speaking world. The minor develops the student's command of reading, writing, speaking, and comprehension in the Arabic language and may complement the student's intended major study.

Students wishing to major in Arabic should see the major requirements in the Middle Eastern Languages and Cultures (<http://guide.berkeley.edu/undergraduate/degree-programs/middle-eastern-languages-cultures/>) major.

Students minoring in Arabic must satisfy the lower division prerequisite requirements. Students may also take a language proficiency exam to waive the elementary and intermediate language courses. Please meet with the undergraduate major advisor to discuss course options or plan for study abroad.

Declaring the Minor

Students may declare the Arabic minor as soon as they begin their study at UC Berkeley. Please find the minor declaration form in the Middle Eastern Languages and Cultures Department or email the undergraduate major advisor. Students must declare the minor *no later than the semester before their Expected Graduation Term (EGT)*. Please see the L&S minor guidelines (<https://lsadvising.berkeley.edu/majors-minors/minors/>) for more information.

General Guidelines

1. All minors must be declared before the first day of classes in your Expected Graduation Term (EGT). For summer graduates, minors must be declared prior to the first day of Summer Session A.
2. All upper-division courses must be taken for a letter grade.
3. A minimum of three of the upper-division courses taken to fulfill the minor requirements must be completed at UC Berkeley.
4. A minimum grade point average (GPA) of 2.0 is required in the upper-division courses to fulfill the minor requirements.

5. Courses used to fulfill the minor requirements may be applied toward the Seven-Course Breadth requirement, for Letters & Science students.
6. No more than one upper division course may be used to simultaneously fulfill requirements for a student's major and minor programs.
7. All minor requirements must be completed prior to the last day of finals during the semester in which the student plans to graduate. If students cannot finish all courses required for the minor by that time, they should see a College of Letters & Science adviser.
8. All minor requirements must be completed within the unit ceiling. (For further information regarding the unit ceiling, please see the College Requirements tab.)
